

*The Brown Bookshelf (BBS) is designed to push awareness of the many African American voices writing for young readers. Our flagship initiative is 28 Days Later, a Black History Month showcase of the best in picture books, middle grade and young adult novels written and illustrated by black children's book creators. Here is a selection of children's **fiction** titles and book creators we've featured. Learn more about The Brown Bookshelf at www.thebrownbookshelf.com.*
